Dearest Margaret,

Did you have a good time at the dance and at Waubun ? There were five boys that went with me and did we have some fun. It was a regular circus . There surely was a large crowd at the dance and being the Waubun didn't have any helped us out a lot.

There was something that I wanted to ask you or find out and I said that I would tell you in this letter . I just don't know just how to put it or whether I should grant myself the permission or not. When it comes to writing letters of this sort I just can't seem to find a way to express my self.

I would like to have a heart to heart talk with you, the one that I have loved but am afraid to adventure further less you may just well toss me over board. I haven't seen you for some time nor have I written . I loved you so much but I didn't want because I was afraid . I love you so much. Will you give me this chance?

With Love,
