I am still choked up. Thank you so much for passing this on to me.  
So much to think about.

I have been so upset lately about how much our church concentrates on sin. "Sin is just a failure to love." so true  
You are doing so much for the marginalized all your life. "They need connections not corrections."

"Let your faith get to our feet." You've been doing that. Standing up for those who need it.

"Affectionate awe" not judging.

"If the house of the world is dark, Love will find a way to make windows"

A wonderful way to spend a rainy Sunday. Thank you.

Love, Elaine
